

## 2007 Wild Ones Photo Entry Form and Rules

Wild Ones is holding its annual photo contest to give members a chance to show off their best native plant and landscape photos. We encourage members to experience the natural world and have fun. The emphasis should be on showing native plants and natural landscapes, and those things related to these environments. All members are encouraged to enter. There is a special category for kids to persuade children, up to age 18, to show us their views of natural landscapes. This year we have increased the number of photos each person may enter.

The photos will be judged initially on technical merit by a professional photographer and then be on display at the annual meeting and conference the following day for further judging of the People's Choice award by conference attendees. Awards will be presented at the August 19, 2007 evening banquet. You need not attend the conference to enter the photo contest or win.

**Only Wild Ones members whose membership is, and will be, current during the course of this contest may enter. Deadline for receipt of mailed submissions is August 10, 2007—no exceptions. Photo contest entries personally delivered to the conference should be at the conference site in Dayton, OH no later than 4:00 PM on August 17, 2007. The committee reserves the right to reject submitted photos that do not adhere to the rules or that are inappropriate.**

### 2007 Photo Contest Rules

Read and follow these rules carefully.

1. The subject of all entries must be native plant species, native species landscape, or native plant ecology found in the USA or Canada.
2. No more than two entries per category and no more than four entries per member (each person under a household or business membership may enter).
3. Photos cannot have been previously entered in the Wild Ones Photo Contest.
4. All photos must be at least 5 x 5" and no larger than 11 x 14".
5. Photos may be in color or black and white.
6. Each photo must be mounted on mounting board. (Available through most photo shops and art supply stores.) Matting and framing is optional.
7. A completed entry form must be affixed to the back of each entry. Entry forms may be photocopied.
8. Photographs will be judged according to the following criteria:
  - a. Technical merit (composition, sharpness, exposure, color)
  - b. Appropriateness to category
  - c. Presentation (neatness of mounting)
9. Photographs may not be removed after the conference unless an electronic file has been provided with the entry. See the guidelines section below.

## Categories

All photos must contain images of native plant species.

- **Flora:** Plant species native to the United States or Canada.
- **Scenery:** Any aspect of native woodland, savanna, prairie, wetlands and rain gardens (may include wildlife as part of the native landscape).
- **Pollinators, Insects or Bugs:** Native to the United States or Canada.
- **Child or Children:** Exploring the natural environment (prairies, woodlands, or wet areas made up of native plant species).
- **Landscaping:** Native landscaping that includes residences, businesses, or recreational areas as part of the subject.
- **Wild Ones Activities:** Educational programs (monthly meetings, conferences, seed exchanges, seed collecting, garden tours, etc.), public relations activities (home & garden shows, festivals, etc.), plant rescues.
- **Kid's Photos:** Photos taken by children up to age 18 in any of the above categories.

Mail photos to:

2007 Wild Ones Photo Contest  
PO Box 1274  
Appleton, WI 54912-1274

By entering the contest, each photographer will be giving Wild Ones Natural Landscapers, Ltd and its affiliates permission to publish his or her photograph.

For more information, go to the Wild Ones website at [www.for-wild.org](http://www.for-wild.org) or send an email to [photo@for-wild.org](mailto:photo@for-wild.org).

## Guidelines

The following gives you additional information as you consider your entries.

When viewing photographs judges look for impact, creativity, composition, center of interest, lighting, color balance, and print quality. If a photo captures all this but is not sharp, it loses all these elements—above all, a print *must* be sharp.

If matting is used to compliment a photo, it must be cut neatly and the color of the matt must compliment the photo. Photos must be mounted and trimmed neatly. If not done appropriately, any of these elements will detract from the photo rather than enhance it.

## The Process:

Photos will be judged twice. The first round of judging will be by a professional photographer who will determine a first, second, and third place award in each category. The second judging round will be by Annual Meeting and Conference attendees who will determine first, second and third place People's Choice awards overall.

We will be using the photo entries in our promotional materials and will also be making a slide presentation of the winning entries. Therefore, photo entries can be picked up following the conference **only** if an electronic file is provided of the entries along with a copy of each entry form. Resolution for these files should be no less than 300 dpi and saved in either .jpg, .psd, or .gif format. Entries will be returned by mail only if accompanied by self-addressed, postage-paid packaging. We are not responsible for damage or loss.

**2007 Wild Ones Photo Contest Entry Form**

This form should be securely fastened on the back of each photo submitted.  
Please PRINT.

**Name** \_\_\_\_\_

**Mailing address** \_\_\_\_\_
