Note to Coordinator: You may use such materials as scrapbooks, site plans, original photographs, art work, etc. If at all possible, we would like to receive before and after photos. Some of these materials may be used in articles about your project to be featured in our Wild Ones Journal and other educational materials. Upon receipt of your report and this form, we will forward you a Wild Ones yard sign for your project to show you are truly in harmony with nature.

As fulfillment of our obligation as a recipient of an SFE cash award, we are enclosing a report documenting our project including copies of receipts for the seed and plant materials used. Also enclosed is a list of nurseries from which we received donated materials and services. In return, I understand we will receive a Wild Ones yard sign for our project to show we are truly in harmony with nature.
